- Skills: Python, Microsoft Word, Excel, PowerPoint, and Access
- Proficient in English, Spanish, and Japanese

EDUCATION

Purdue University, Daniels School of Business

West Lafayette, IN

Master of Science in Human Resource Management, Human Resources

May 2027

Purdue University, College of Health and Human Sciences

West Lafayette, IN

Bachelor of Science, Psychological Sciences

May 2026

- Study abroad in the Universidad de Antioquia, Colombia (2023)
- Study abroad in the University of Tsukuba, Japan (2025)

ACADEMIC PROJECT

Shrimp Fried Bryce

January 2026

Team Animator

- Spent forty-eight hours completing a thirty second animation in a five member team from concepting to compositing.
- Established a local network system to share project files across multiple computers.
- Trained team members on completing final animation drafts in Tahoma2D.
- Budgeted and divided camera cuts amongst team members by using a Google Sheets table. Table calculated remainder of a thirty second budget after subtracting time intervals from camera cuts by frames.

PROFESSIONAL EXPERIENCE

Carmel Clay Parks & Recreation

Carmel, IN

Park Custodial Technician

June 2026 - August 2026

- Trained to use a Bobcat UTV vehicle, Tommy lift gate, and resource management apps.
- Serviced parks alongside one coworker to develop efficient strategies of dividing labor, reducing costs while saving time to clean parks more thoroughly than two independent workers.
- Tracked each number of resources such as trash bags, cleaning supplies, and labor hours used to service a park to calculate each cost of each park request five times a day.

LEADERSHIP ACTIVITIES

Purdue Animation Club

West Lafayette, IN

Club President

August 2023 – December 2025

- Presented one workshop for students about creating rough layouts for consistent and accurate animation and backgrounds.
- Prepared and presented PowerPoint presentations with two other club officers about various topics in animation, such as relevant art concepts and industry practices.
- Maintained contact with other computer graphics student organizations in Purdue for inter-club activities and collaborations.

Oral English Proficiency Program

West Lafayette, IN

Intercultural Communication Partner

August 2023 – May 2026

- Attended international graduate students' practice lectures throughout each semester to give constructive feedback regarding their presentation and communication skills in English.
